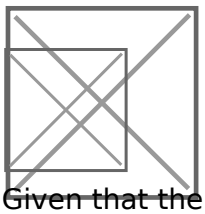
Please cite as: EUAA, '4.6 Pending cases' in *Executive Summary of the Asylum Report 2021*, Gennaio 2022.

4.6 Pending cases



Given that there were more decisions issued than applications lodged in 2020, the stock of pending cases dropped in EU+ countries. Approximately 773,600 asylum applications were awaiting a decision at the end of 2020, representing an 18% decrease compared to 2019. Nonetheless, pending cases were still higher than in the pre-crisis level in 2014.
