Learning outcomes & description

DESCRIPTION

This module aims to support new but also existing learners to engage with the European Asylum Curriculum and training processes. The Orientation module provides learners with information on how the EUAA training modules and courses are organised, delivered, assessed and quality assured.

It is a resource that all learners can access at any time to find information on how to deal with a specific issue or topic. It also provides learners with information on available technical, administrative, and academic support.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Skills

1. **Access and register for EUAA training.**
2. **Describe how an EUAA training is delivered.**
3. **Describe how an EUAA training is assessed.**
4. **Select the appropriate procedures to deal with training-related issues.**

DELIVERY METHOD

This module is delivered entirely online, through self-paced learning.
