Learning outcomes & description

DESCRIPTION

This module aims to provide learners with the knowledge and skills necessary for the screening of third-country nationals and stateless persons under the Screening Regulation, related to the access to international protection, and in line with the EU asylum acquis and Fundamental rights.

It covers the screening process, with a focus on the special and specific needs of vulnerable persons.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. **Outline the elements of the screening process according to the EU legal framework and key fundamental rights.**

Skills

2. **Provide information to third-country nationals and stateless persons on their rights and obligations during the screening process.**

Competences

3. **Gather and record relevant information during the screening process.**

DELIVERY METHOD

This module can be delivered either entirely online self-paced or entirely face-to-face.
