Unaccompanied minor applicants on the rise in Europe

Image

## Unaccompanied minor applicants on the rise in Europe

**42,000**

applications by unaccompanied minors lodged in 2022

**18,000**

applications by unaccompanied minors were withdrawn, twice as many as in 2021

**2/3**

of all unaccompanied minor applicants were from Syria and Afghanistan

Applications by unaccompanied minors increased by **3/5** compared to the previous year

The increase in the number of unaccompanied children seeking protection exerted additional pressure on asylum processes.
