DESCRIPTION

This module aims to provide learners with knowledge on the provisions of the new Asylum Procedure Regulation (2024/1348).

It covers the main changes introduced by the Regulation, with a focus on aspects such as the basic principles, guarantees and the administrative procedure from the screening and access until a decision is notified to the applicant for international protection, including special procedures and the safe country concepts.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. **Outline the screening process, in relation to access to the asylum procedure.**

2. **Explain some of the most relevant changes the APR brings to the asylum procedure.**

DELIVERY METHOD

This module is delivered entirely online, through self-paced learning.
