Indiscriminate violence

Follow the links in the interactive map below to read more about the assessment of the level of indiscriminate violence in the different regions of Somalia.

A vertical bar on the left side of the page, divided into four colored segments: dark red, red, light red, and light blue.

Mere presence would be considered sufficient in order to establish a real risk of serious harm under Article 15(c) QD.

Indiscriminate violence reaches **a high level** and **a lower level of individual elements** is required to establish a real risk of serious harm under Article 15(c) QD.

Indiscriminate violence is taking place, however **not at a high level**, and **a higher level of individual elements** is required to establish a real risk of serious harm under Article 15(c) QD.

In general, there is **no real risk** for a civilian to be personally affected within the meaning of Article 15(c) QD.
