Learning outcomes & description

DESCRIPTION

This module aims to provide learners with knowledge on communication in emergencies.

It covers key challenges and mitigating measures for communication risks in the context of emergencies.

It prepares learners to apply this knowledge in the context of designing and implementing a communication plan in emergencies.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. **Understand the communication challenges in emergencies that make immediate and effective communication difficult.**

2. **Identify the risk of communication principles.**

3. **Learn more about tools and techniques on how to design and implement a communication plan in emergencies.**

DELIVERY METHOD

This module is delivered through live webinars.

Details

Details
