## Learning outcomes & description

### DESCRIPTION

The aim of this module is to prepare EUAA trainers and assessors to effectively assess and verify EUAA training modules. The module focuses on grading assessments, applying grading rubrics/scales, and providing feedback.

### LEARNING OUTCOMES

At the end of this module, the learner will be able to:

1. **Manage and implement the grading and verification of assessments within the context of EUAA training**
2. **Identify techniques for ensuring the quality of assessments**
3. **Describe resources related to EUAA modules assessments**
4. **Grade and verify assessments of learning using EUAA marking rubrics**
5. **Apply correct techniques for providing justification and feedback within the context of EUAA training**

## DELIVERY METHOD

This module is delivered through a blended learning methodology (online, face-to-face/webinar and independent learning).

## ASSESSMENT STRATEGY

The summative assessment of this module requires learners to act as assessors by assessing, grading and providing appropriate feedback to justify the grade. They will then take the role of verifiers and verify the grades of another assessor, justifying any differences of opinion?Learners will be supported and guided by the trainers throughout the module and through formative assessments to prepare for the summative assessment. ???
