# Learning outcomes & description

## DESCRIPTION

This module aims to prepare learners to conduct a personal asylum interview in complex cases. Based on the requirements of the Qualification Regulation and the five stages of the EUAA Asylum Interview Method, this module focuses on how to plan and implement advanced strategies to interview applicants for international protection and explore the credibility of the statement in complex cases.

## LEARNING OUTCOMES

At the end of this module, the learner will be able to:

### Skills

1. Identify advanced interview strategies to plan, prepare and conduct a personal asylum interview.
2. Analyse complex asylum cases to select the appropriate advanced interview strategies in order to plan and prepare a personal asylum interview.
- 3.

Apply and adapt interview techniques to elicit relevant information from an applicant for international protection in a complex asylum case.

## DELIVERY METHOD

This module is delivered through a blended learning approach, combining online studies and face-to-face sessions, preceded by a 2-hour introductory webinar.
