GUIDANCE NOTE

Last update: February 2019

*Minor updates added October 2021

The demographics of the area should be taken into account, including its prominent religion, ethnicity, etc. Large cities, such as Lagos, could generally be considered as a possible IPA for different profiles of applicants, due to being more ethnically and religiously diverse.

When choosing a particular part of Nigeria with regard to which to examine the applicability of IPA, where relevant, existing ties with the place such as previous experience and/or existence of a support network could, for example, be taken into account.
