EN_A1_Poster_Vulnerabilities_and_Special_Needs

Poster on self-identification of vulnerabilities and special needs for people fleeing Ukraine

This poster informs people fleeing the war in Ukraine that might have special needs about the possibility to ask for help and how to do so in a safe manner. This can be done by reaching out to the authorities, international and non-governmental organisations in order to be assisted to access services. The poster can be printed in an **A1** or **A2** **format**.

Information leaflets for displaced people from Ukraine

The EUAA has compiled the most relevant information about the EU's temporary protection offer for persons fleeing Ukraine, including the rights it offers and for how long, who is entitled to request temporary protection, and how to apply.

Information on access to the asylum procedure

Image
2022_Information_asylum_procedure_leaflet_EN.pdf

The brochure provides information on access to the asylum procedure to support information provision in the context of the influx of refugees fleeing Ukraine. The brochure is complementary to the leaflet on temporary protections developed by the EUAA and provides information relevant to those who do not qualify for temporary protection.

Practical Tool for Guardians: Temporary protection for unaccompanied children fleeing Ukraine

This tool focuses on temporary protection. It aims at assisting guardians appointed by Member States in supporting displaced children from Ukraine when registering for the temporary protection and exercising their rights.

Target Group: Guardians, policymakers and practitioners working with displaced children from Ukraine
