4.15.6. Implementing readmission agreements in the national framework

4.15.6. Implementing readmission agreements in the national framework

icon presenting implementing readmission agreements in the national framework

France ratified its bilateral agreement with India (Delhi, 2018) in October 2021 on cooperating on migration. The protocol on the implementation of the Agreement between the EU and Armenia on readmissions has been prepared for signing.

Greece improved cooperation with authorities in Bangladesh in the field of returns. Furthermore, it ratified the EU-Serbia Readmission Agreement (Law 4861/2021, A' 230)[1293](#) and the EU-Montenegro Readmission Agreement (Law 4862/2021, A'231).[1294](#)

In its policy priorities until 2025, Slovakia defined the need to conclude new or revise existing readmission agreements and their implementing protocols. It aims to conclude EU readmission agreements in order to improve and strengthen cooperation with third countries whose citizens are most often expelled or in which the implementation of expulsion decisions remains problematic.
