

Section 3. EUAA support in 2022

Section 3. EUAA support in 2022

“This Regulation establishes a European Union Agency for Asylum (the ‘Agency’). The Agency...shall be a centre of expertise by virtue of its independence, the scientific and technical quality of the assistance it provides and the information it collects and disseminates, the transparency of its operating procedures and methods, its diligence in performing the tasks assigned to it, and the information technology support needed to fulfil its mandate.”

Section 3 details the Agency’s work programme, work with third countries, and operational and technical assistance which was provided over the course of the year. It also presents an evaluation of these activities, when applicable. While the scope of the Agency’s activities is multifaceted, highlights in this section are provided for the following key areas:

3.1. Asylum knowledge
