

5.5. Reasonableness to settle

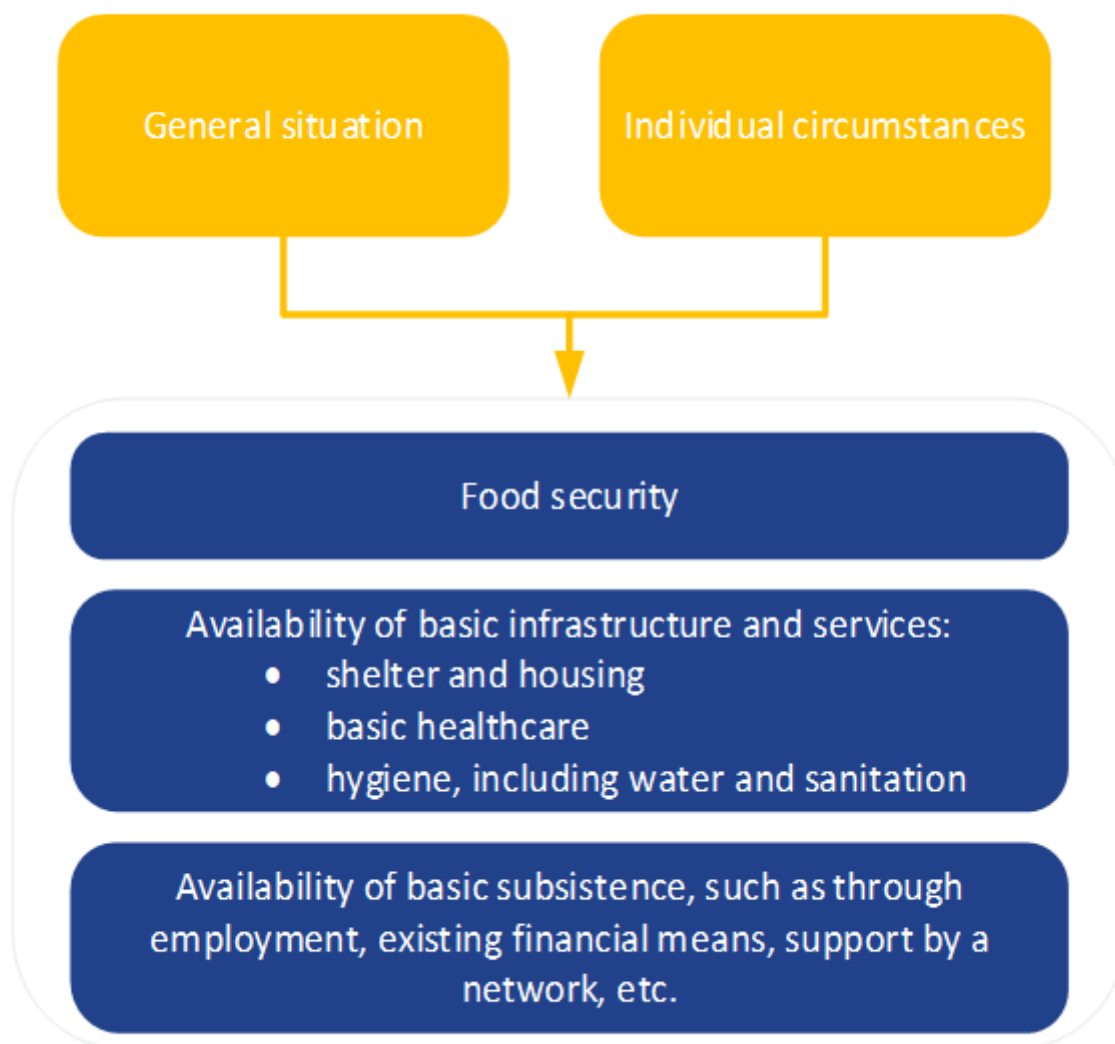

COMMON ANALYSIS

Last update: August 2023

According to Article 8(1) QD, IPA can only apply if the applicant 'can reasonably be expected to settle' in the proposed area of internal protection. In case the criteria of safety and travel and admittance are met, the assessment of the availability of IPA in Elishol should proceed with an analysis of its reasonableness in light of the general situation in the city and the individual circumstances of the applicant.

The assessment should be based on the general situation in the country and the individual circumstances of the applicant.
