6.1.2. Criminal activity

COMMON ANALYSIS
Last update: June 2022

Criminal activities in Belgravia are widely reported. Some of the crimes could trigger exclusion considerations, as they could qualify as serious (non-political) crimes and/or, depending on the specificities of each case, as war crimes, crimes against humanity, or acts contrary to the purposes and principles of the UN.

Criminal activities include killings, sexual violence, abductions, banditry, theft, robberies, (child) trafficking, money extortion, human and/or arms smuggling. In some cases, these crimes are linked to armed groups, such as Blestil.
