4.2. Article 15(b) QD: torture or inhuman or degrading treatment or punishment

COMMON ANALYSIS
Last update: May 2024

Article 15(b) QD

As noted in the chapter on Refugee status some profiles of applicants from Afghanistan may be at risk of torture or inhuman or degrading treatment or punishment. In such cases, there would often be a nexus to a reason for persecution falling under the definition of a refugee, and those individuals would qualify for refugee status. However, with reference to cases where there is no nexus to a Convention ground, the need for subsidiary protection under Article 15(b) QD should be examined.
