Country Guidance: Iran

> In view of the on-going hostilities in Iran as of 27 March 2026, some conclusions within this document may no longer be valid, especially those related to Article 15(c) QD/QR. When examining applications for international protection from Iran, please consider the most up-to-date country of origin information available.

Country Guidance: Iran

Publication date: 7 January 2025

The '**Country Guidance: Iran**' represents Member States' joint assessment of the situation in the country of origin in relation to the applicable international and EU legislation on international protection. The guidance note, accompanied by the common analysis, was finalised by the Country Guidance Network of senior policy officials in October 2024 and was endorsed by the EUAA Management Board on 19 December 2024.

In addition to this electronic publication, the 'Country Guidance: Iran' (January 2025) is available in pdf format.

The **aim of the country guidance documents** is to assist asylum decision-makers and policy-makers in their daily work and to foster convergence in the assessment of applications for international protection and the type of protection granted in the context of the common European asylum system. Member States have an obligation to take into account the common analysis and guidance notes when examining applications for international protection, without prejudice to their competence to decide on individual applications for international protection.

The EUAA country guidance documents are produced in accordance with Article 11 of the EUAA Regulation (Regulation (EU) 2021/2303). Learn more about the methodology and assessment approach of the common analysis and guidance notes in the 'Country Guidance: explained'.
