

## 6.4. Reasonableness to settle

### COMMON ANALYSIS

Last update: June 2025

If the criteria of safety and travel and admittance are met, the next step in assessing the existence of an IPA in Port Sudan is to consider the reasonableness to settle in light of the general situation in the area and the individual circumstances of the applicant. According to Article 8(1) QD/QR, IPA can only apply if the applicant 'can reasonably be expected to settle' in the area of internal protection under consideration.

It is important to note that, due to the limited availability of information on socio-economic conditions specific to Port Sudan, the assessment in the following section also relies on information regarding the general situation in the country.
