Quality control

To ensure that the authors respected the EUAA COI Report Methodology and that the Terms of Reference were comprehensively addressed, a review was carried out by COI specialists from the countries and organisations listed as reviewers in the Acknowledgements section. All comments made by the reviewers were taken into consideration and most of them were implemented in the final draft of this report, which was finalised on 23 June 2025. EUAA also performed the final quality review and editing of the text.
