6.5. General conclusion on the applicability of IPA

COMMON ANALYSIS
Last update: October 2025

Taking into account the assessment with regard to the three criteria under Article 8 QD/QR, it can be concluded that:

Given the security situation and living conditions, **IPA in Mogadishu might be applicable only in exceptional cases**.

IPA in Garowe and Hargeisa may be applicable depending on profile and individual circumstances of the applicant, as detailed above.

Clan affiliation is a crucial element to consider for IPA in all three cities.
