5.3.5. Qualification of the harm as ‘threat to (a civilian’s) life or person'

COMMON ANALYSIS | Last update: December 2025

Some of the commonly reported types of harm to civilians’ life or person in Syria include killing, injury, forced displacement, etc. A real risk of such serious harm would qualify as a threat to a (civilian’s) life or person in accordance with the provision of Article 15(c) QD/QR.
