

Quality control

Quality control

To ensure that the authors respected the EUAA COI Report Methodology and that the Terms of Reference were comprehensively addressed, a review was carried out by COI specialists from the countries and organisations listed as reviewers in the Acknowledgements section. All comments made by the reviewers were taken into consideration and most of them were implemented in the final draft of this report, which was finalised on 15 November 2025. EUAA also performed the final quality review and editing of the text.

The review carried out by the mentioned departments, experts or organisations contributes to the overall quality of the report, but it does not necessarily imply their formal endorsement of the final report, which is the full responsibility of EUAA.
