Country of Origin Information Report

The report provides an overview of the country's geography, demography, ethnic groups, languages, and state structure, followed by background and recent political developments in a regional context. It outlines the main armed actors, including state armed forces and non-state armed groups, and describes the security situation, including provincial variation.

It further examines the structure and functioning of the justice system and the treatment of specific profiles and population groups. Finally, it presents the socio-economic situation, including climate-induced displacement and key socio-economic indicators, with a focus on Islamabad, Karachi, and Lahore.
