Syria: Security Situation

Imported image pandoc_image_0.jpeg

Country of Origin Information Report

The report provides an update on the security situation at both the country and governorate levels during the reference period (October 2025 – May 2026). It presents an overview at the country level of the current conflicts, main armed actors security trends, security incidents, their impact on civilian life, and patterns of displacement and return. The second part of the report analyses these aspects at the governorate level.
