Sources

In accordance with EUAA COI methodology, a range of different published documentary sources have been consulted on relevant topics for this report. These include: COI reports by governments; information from civil society, advocacy groups, humanitarian organisations, and NGOs; international and NGO human rights reports; reports produced by various bodies of the United Nations; Sudanese and regionally-based media and social media; academic publications and think tank reports and specialised sources covering Sudan. All information from these sources was consulted within time constraints and within the research constraints posed by Sudan's challenging information-gathering environment.
