

Meeting with Eritrean diaspora

European Asylum Support Office (EASO) is organizing a day of dialogue with Eritrean Diaspora in Italy, on 30 September 2017, in Rome, from 10:00 to 17:00.

Eritrean associations, providing support to their community on the Italian territory, will have the opportunity to present the problems they are facing related to their asylum applications in general, and the EU Relocation Programme in particular.

In addition, this meeting represents a good opportunity for the different stakeholders (European Commission, Italian Authorities, UNHCR, etc.) to present their role and programmes, meant to support persons in need of international protection.

The event will take place at Grand Hotel Palatino, Via Cavour, 213/M-00184, Rome.
