DESCRIPTION

The aim of this module is to support new but also existing learners to engage with the European Asylum Curriculum and training processes.

This module provides information on how the EUAA training modules and courses are organised, delivered, assessed and quality assured. It is a resource that all learners to access at any time to find information on how to deal with a specific issue or topic. It also provides learners with information on available technical, administrative, and academic support.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

1. **Access and register for EUAA training**

2. **Describe how an EUAA training is delivered**

3. **Describe how an EUAA training is assessed**

4. **Select the appropriate procedures to deal with training related issues**

DELIVERY METHOD

This module is delivered online, and learning is facilitated by animations along with structured information and links to specific documents and procedures as further reading for the learners. The module is self-paced and fully automated, and learning activities include automated feedback.

This self-paced and fully automated module is not assessed.
