# Learning outcomes & description

## DESCRIPTION

**This module aims to provide learners with the theoretical and practical knowledge needed to prepare and write a decision related to end of protection cases.**

**It covers the conditions that lead to the end of protection as laid down in the Qualification Directive, with a focus on the relevant legal provisions and procedural safeguards pertaining to the end of protection.**

**It prepares learners to apply this knowledge in the context of dealing with end of protection interviews and decision-making.**

## LEARNING OUTCOMES

**At the end of this module, the learner will be able to:**

### ***Knowledge***

1. **Identify grounds for withdrawing international protection through individual assessments.**

### ***Skills***

2. **Apply the relevant legal provisions and procedures relating to the end of protection.**

## DELIVERY METHOD

**This module is delivered through a blended learning approach, combining online studies and face-to-face sessions (either onsite or through live webinars).**

**The online component focuses on learning activities that assess progress toward the learning outcomes, and face-to-face/webinar sessions focus on complex elements that require discussion.**
